

CONGRATULATIONS

India's Future Tycoons is a platform that offers an opportunity to students who are 13 to 17 years of age and have ideas that can drive change, to kick-start an entrepreneurship venture. It is a once in a lifetime opportunity for young teens to present their ideas to a panel of jury, mentors and investors, who will evaluate them and pick the top 24 ideas. IFT hosted a 3-day residential boot camp for the top 24 teams, which is the first of its kind interaction and mentoring opportunity for students from start-up owners, corporate domain mentors and design thinking experts that helps them to build a robust execution plan around the idea.

The followings students of Class 9 have been qualified for the next round:

1. Ms. Raashi Shetty
2. Ms. Kritika Jain
3. Mst. Ojas Vadhera
4. Mst. Arnav Bhanushali

Congratulations and Good Luck
